

PROJECT INFORMATION REPORT

City of Los Angeles

Bureau of Engineering

Department of Public Works

NEW POLICE ADMINISTRATION BUILDING

(G492)

Current Phase	Scope of Work
Construction	<p>The Police Administration Building (PAB) project consists of building a new 500,000 sq. ft., 10 story police administration building with 2 levels of underground parking. The PAB will contain the following elements: LAPD administration offices, related support areas, police commission offices and meeting rooms, facilities for police administrative activities, auditorium, food services, public lobby, media room and a helipad. The main building will be built on the old Cal Trans site bounded by 1st, Main, 2nd and Spring Street. Funded by: MICLA</p>
Construction Information	
<p>Expected Duration: from 11/13/2006 to 6/2/2009 Construction Cost: \$231,377,246 Contractor: Tutor-Saliba Corp.</p>	
Program Information	
<p>Program: Municipal Facilities Architect Project Mgr: Julie Sauter 213-473-6211 Lead Division: Police Facilities-Prop Q Group-94 Work Order: E170910F WO. Status: Active</p>	

Council District(s)	Project Status
9 - Jan Perry	<p>Construction is over 68 % complete. Installation of solid pre-cast concrete panels and Spring Street punch panels on building exterior substantially complete. Installation of the glass curtain wall is ~ 75 % complete. Mechanical, electrical , plumbing (MEP), ductwork, interior framing and roofing are in progress. Auditorium and cafe work is in progress. Street work has started on Spring and 2nd Streets. Excavation and preparatory work for utility connections (sewer & storm water) in adjacent streets ongoing. It is expect this work will result in some additional construction closures on the streets surrounding the project in the next few weeks. One westbound lane of 2nd has been taken out of service in preparation for the upcoming 2nd Street Widening work.</p>
